

Advisory Neighborhood Commission 4A

Government of the District of Columbia

RESOLUTION #4A-04-06-21-01

**Requesting DDOT To Address Paving Needs on Crestwood Drive NW and
Shepherd St. NW**

Adopted April 6, 2021

WHEREAS, Advisory Neighborhood Commission 4A takes note of the following:

- Commissioner Pavan Khoobchandani, ANC 4A08, has received numerous complaints about the poor state of the roads on Crestwood Drive NW and Shepherd St. NW between 17th Street NW and Crestwood Drive NW – namely that the roads are full of potholes, cracks, and that the storm drains are collapsing.
- DDOT’s Paving Plan website indicates that the state of Crestwood Drive and surrounding areas has been “poor” since before PaveDC launched.
- The previous Commissioner for SMD 4A08, Gale Black, has raised the issue of these road segments on multiple occasions to DDOT, to former Councilmember Todd’s office and to the Mayor’s office. There have been multiple 311 requests made.
- Crestwood Drive NW and Shepherd Street NW are not scheduled to be repaved according to DDOT’s 2021 Paving Plan.
- When the fact that the roads at issue are not on the Paving Plan for 2021 was brought to the attention of DDOT in March 2021, DDOT responded that there are multiple active permits for the area in question and that “when a utility has a permit in an area DDOT does not plan to repave the road because the road will be impacted by the work from the utility company.”
- Only one utility permit could be found as of April 2, 2021 – for DC Water - it states that it was effective February 11, 2021 and expires April 11, 2021.

THEREFORE, BE IT RESOLVED, Advisory Neighborhood Commission 4A requests that the District Department of Transportation coordinate with DC

Water regarding DC Water’s work and immediately develop a plan to repave Crestwood Drive NW and Shepherd St. NW between 17th Street NW and Crestwood Drive NW in 2021; and

BE IT FURTHER RESOLVED, that Councilmember Lewis George take action to support this Resolution; and

BE IT FURTHER RESOLVED, the Commission hereby designates Commissioner Pavan Khoobchandani, ANC 4A08, to serve as the Commission’s representative in all matters relating to this resolution.

ADOPTED by voice/show of hands vote at a regularly scheduled public meeting (notice of which was properly given, and at which a quorum of seven of seven members was present) on April 6, 2021, by a vote of 7 yes, zero no, and zero abstentions.

Respectfully submitted,
